- Ordering for CAT's and Fast-CAT's will be at the discretion of the field committee, typically on an "is waiting and ready" basis. Priority for field committee dogs running will be given to free them up to work the TESTS.
- The field committee reserves the right to alter the course plan as required by weather and/or field conditions on the day of the trial.
- The field committee reserves the right to bar known aggressive dogs from the event site.
- There will be a \$5 fine assessed for any loose dog not taking part in the course in progress, or for anybody caught not picking up after their dog or leaving garbage on the field.
- NO ONE will be allowed on the field without the express permission of the Field Chairman, except the appointed field committee.

- Anybody exhibiting unsportsmanlike behavior will be excused from the field and may be subject to further disciplinary action.

- The ribbon will be approximately 2 inches wide and 10 inches long and shall bear a facsimile of the seals of the American Kennel Club, the Northwest Rhodesian Ridgeback Club, and the Washington Brittany Club, the location, and the words "Fast-CAT". The ribbons will be light blue in color.

FAST-CAT FIELD

- The field has some shade.
- Please bring your own shade and water.

- Any person, upon reasonable complaint, may be asked to leave the grounds of the field trial by the Field Committee and may be disciplined by the AKC.

- None of the Clubs (Olympia Dog Fanciers Association, the Northwest Rhodesian Ridgeback Club, or the Washington Brittany Club) will be held responsible for any accidents at this trial.

FOR FIRST TIME COURSERS AND HANDLERS

- WHAT ARE PRE-ENTRIES? - Entries made before the closing date. If your entry is mailed in time yet due to the failure of the postal service it is not received in time for the Test Secretary to have it at the Event, then you

will have to complete a day-of-entry forms on the day of the trial. Always have your dog's registration materials with you when you go to a test.

- **WHAT ARE "DAY OF" ENTRIES?** – Entries accepted after the closing date for pre-entries are considered Day of Entries. The deadline for pre-entries is typically two days before the event. "Day of" entries are usually more expensive because the Field Test Secretary (FTS) must take extra time to add those entries to the record sheets the morning of the test, which delays the start of the trial. If you are entering on the day of the test, you **MUST** have your completed entry to the Test Secretary **BEFORE** roll call.
- **SLIP LEADS** – There is a type of collar for coursing called a slip lead, which is worn only to control the dog prior to release. The collar drops away as the dog is released to chase the lure. The dog then runs without anything around its neck that could be dangerous.
- **INSPECTION** – The dogs will be inspected by a designated Inspection Committee consisting of at least two persons who are members of the Field Committee and who shall inspect each entered dog for lameness, fitness to compete and female estrus (in season). Inspection shall take place prior to any form of wrapping being applied to the dog. In the opinion of the Inspection Committee, any entry found to be lame, unfit to compete or in season shall not be allowed to enter and the applicable entry fees shall be refunded. It is at this time that the dogs are measured per handicapping rules.
- **ROLL CALL** – The time, prior to the commencement of coursing, by which you are supposed to have your dog ready for inspection by the Inspection Committee. At roll call the dog is examined for lameness, and breed disqualifications (where applicable). Non-spayed bitches are examined to see if they show any evidence of being in season. After roll call the list of dogs that have passed is taken to the Field Test Secretary so that the run order can be prepared.
- **RUN ORDER LIST** – This is a posted list of the running order for the dogs participating in the event. Always check the record sheet after the Roll Call to confirm your dog's Run Order.
- **WARM-UP, COOL-DOWN** – It is highly recommended that all dogs running are walked out for about 10 or 15 minutes prior to and after their runs to get them warmed up and to cool them down. The cool-down is very important because it helps prevent lactic acid build-up in the muscles which leads to soreness.

FOR EXPERIENCED HANDLERS

- Pre-entered dogs can go directly to the Inspection Committee on the announcement of Roll Call. "Day of" entry dogs can go to inspection after their entries are received. Upon completion of Inspection, the Run Order list will be posted.
- **WHAT MUST MY DOG DO TO PASS A FAST-CAT?** - A Fast-CAT, unlike the CAT, is not a pass/fail, but a timed 100-yard dash after a lure through a start gate and a stop gate. The time is converted over to MPH and then multiplied by the potential handicap based on the dog's height to award points.
- **CAN MY DOG EARN AN AKC TITLE FOR Fast-CAT?** – Titles are earned by accumulating points. The following titles will be awarded: BCAT = 150 points; DCAT = 500 points; FCAT = 1,000 points; and FCAT followed by a number (e.g. FCAT2) for every additional 500 points. These suffix titles will appear on the dog's pedigree, with a higher-level title superseding the lower level title.
- **ALL DOGS RUN AT THE OWNER'S SOLE RISK**
