Field Trials

Promoting cooperation and friendship among breeders, owners of Brittneys and other Brittany enthusiasts.

Encouraging higher standards in breeding, training and the conformation of the Brittany for the field and show ring.

Sponsoring and conducting events such as field trials, hunt test and specialty shows so the Brittany can achieve field, hunt and show championships and titles, while looking and feeling their best.

Supporting activities that encourage Brittany owners to become more involved in club events while promoting the breed's primary objectives.

Cooperating with other clubs, organizations and groups for wildlife conservation and protection of those areas. By maintaining existing event grounds and developing new grounds for our future.

The Brittany is a versatile dog. Turning with ease from the field to show.
